My daughter attended polyglots Spanish/French summer camp this year (2020). She thoroughly enjoyed the experience, said the teachers were kind and fun. ... Highly recommend!

"My son loved the camp & came home with great stories of the science projects and activities he had done. He also has been speaking in French & Spanish & impressing me with the vocabulary he learned. We loved the small classes and the language learning through play. Thank you!"

FAQ's

What precautions are you taking regarding PPE for students and staff?

We are following Alberta Health guidelines and will remain fluid to updated health & safety measures. You may review our current Safety Guidelines here: <https://polyglots.ca/wp-content/uploads/2022-Day-Camp-Safety.pdf>

How many weeks can my child attend?

There is no restriction on how many weeks any child may attend camp. In fact, we encourage you to sign up for multiple weeks in order to further develop your child's language skills.

Can I enroll my child in French & Spanish?

Yes! You can choose to have your child learn French one week and then Spanish the next. You may also have them learn one language in the morning and another in the afternoon. Our campers last year really enjoyed this option.

Can I enroll my 4 year old who is registered for Kindergarten?

Yes! If your child is registered to attend kindergarten in September 2022, then they may join us for camp.

What should my child bring to camp?

A water bottle, hat, lunch, snacks, change of clothes. You may also choose to send them with a mask, and basic art supplies if you prefer not to share: scissors, pencil, eraser, markers, crayons. Weather permitting, we will be spending time outdoors at the facility so you may also want to pack a light jacket, sunscreen and mosquito repellent.

What happens after I register?

Shortly after completing your PRE-registration, you will receive an email with a complete registration form. You will receive additional emails with your invitation to the Polyglot Parent Portal and payment request. Your registration is confirmed once payment is received. One week prior to camp, you will receive an email with important information including what to pack and drop off/pick up instructions.

What is the camp discipline policy?

Polyglots Camp Leaders are well trained and expected to resolve minor issues with or between campers in a positive manner. Our goal is to provide every child with a rewarding experience. At the beginning of camp, the leaders go over camp expectations and rules. In the event that a rule is broken, a verbal warning from the Camp Leader is given that includes the problem and a solution. If a rule is broken again, the Education Coordinator will contact the parent/guardian to discuss the noted behaviour. Together, the parent/guardian and the Polyglots team will work out a custom designed behaviour modification plan. If the improper behaviour continues, the program staff will contact the parent/guardian to discuss the situation further and/or notify the parent/guardian to come and get the child if warranted. Examples of unacceptable behaviour that will result in a camper being immediately asked to leave camp include, but are not limited to, destruction of property or disruptive behaviour which threatens the safety of other campers or staff. In such a case, fees are

non-transferable and non-refundable.

What is the camp cancellation and refund policy?

- Full Refund (minus \$50 Administration fee) is only available with a minimum of 2 weeks' notice.
- If your child misses a partial or full day for any reason, he/she will not be able to make up that time. Neither credit nor refund will be issued.
- If a child is absent for more than 3 days due to illness or injury, a refund will be issued upon receipt of a valid medical note. A \$50 administrative fee will be charged at the time of refund.
- Any cancellations due to Covid-19 will be credited to the family account for future transactions.

We understand that due to Covid-19 plans are still uncertain for the upcoming Summer! If you need to cancel your camps with less than 2 weeks' notice and cannot move your child(ren) to another week for 2022 Summer Camps your payment can be transferred to any week of Summer Camp for 2023.
