Our Approach

Polyglots offers a fun, natural way for your child to learn a language. We use songs, stories, games, drama and play to teach key grammar and vocabulary. The program includes:

- Targeted French or Spanish Instruction
- A lively integration of music
- Arts and crafts
- Science/Engineering activities
- Story time
- Drama
- Gross motor development
- Fine motor skills

Our Location

Outdoor Play space

Our Teachers

- Native speakers
- Well educated
- Experienced in Childcare
- Kind and caring

Parents' Comments

“Very fun and interactive classes. The songs and the games kept my son entertained while learning at the same time. Loved the style of the classes.” ~Jen

“I just wanted to let you know that Claire loved her Spanish camp. It was the perfect mix of fun and a bit of leaning. She's really excite for Spanish bilingual kindergarten to start in the fall now!” ~Candace

“My son loved the camp & came home with great stories of the science projects and activities he had done. He also has been speaking in French & Spanish & impressing me with the vocabulary he learned. We loved the small classes and the language learning through play. Thank you!” ~ Lora
